

Greetings to all Voyageurs Families/Students,

As we wind down to the end of our 2nd Quarter I wanted to give you an update regarding our plans for re-opening. With improving Covid numbers in our area we will be moving forward with bringing kids back into the building! The following is the Hybrid schedule we will be implementing beginning February 1st. Please be aware it will look different than the schedule we had in the fall. We are hopeful that this adjustment will help students stay caught up with their work.

- Jan 27 Regular "Work Wednesday"
- Jan 28/29 No School for students.....staff transition days
  
- Feb 1 "A" students attend in person

Going forward as hybrid we will have "A" kids in the building on Mondays and Tuesdays, "B" students in the building on Thursdays and Fridays, "Online" students will be attending classes all day Mondays and Fridays, and all students will attend remotely on Wednesdays. All students, no matter the group or day, are expected to attend Advisory and Book Club everyday. There might be some classes, on an individual basis, that may require students to attend class on an "independent study" day depending on the lesson, please refer to the individual teacher for this information.

Please note that an email, text, or letter has been sent informing you of the group your student(s) has been assigned to. If you have not received this notice by January 28th, please call the office at 218-444-3130. Our class schedule will remain the same so that classes will switch every hour. All students are expected to bring 4 notebooks, pencils, and masks to school each day. Masks are expected to be worn, same as in the fall. All COVID safety policies and procedures will be the same as in the fall. Students may switch from hybrid to online learning, or vice versa, only once with Director approval.

Stay Safe,  
Scott
