

VES Finance Committee

Agenda:

1. Update on Audit
2. Maturing CDs

The finance committee met August 5, 2019. Scott Anderson, Kathy Skinner and Kari Olson were in attendance.

The annual audit is almost finished. The auditors will be completing their work over the next couple of weeks.

We have two CDs that have matured, one for six months and one for twelve months. The committee decided to roll them both over into another term.

We have our budget set for 106 and currently have an ADM of 109. Exciting!
