

Voyageurs Expeditionary School Board Meeting Agenda
October 14, 2019

Mission

The mission of VES is to provide students with the necessary tools to lead meaningful and productive lives through hands-on learning, service to others and environmental stewardship.

Vision Statement

Starting at a level much deeper than just curriculum, the design of VES addresses the origins of learning and the fundamental well-being of students. The foundation necessary to achieve the mission of our school is the establishment of a community of learners, composed of students, families, teachers, and staff who share the conviction that the best education takes place in an intentionally developed environment that nurtures, protects, challenges, and values every member of that community.
