

Jan 4, 2024 | 📅 Finance Meeting

Attendees: Ryan Haasch Kari Olson Kathy Skinner-virtually

Discussion items

DAC agreement- this helps to offset the costs of the internet for our school. They file the paperwork for us to get the kickback from the government. Ryan needs to sign this and get it turned in.

Reviewed the state's ESST protocol. VES already gives more than what is required. We will need to pass the amendment so we can update the language in our staff handbooks.

Moorhead School is having an auction to get rid of some items. We talked about using ESSER money to purchase new lunchroom tables and chairs and high school classroom furniture.
