VES Spotlight

Reminder - we do have school tomorrow - Friday, Jan. 5 (and the next 2 Fridays too!)

Students can access their headrush login from our website! Have them show you what they are working on!

Check out the new resources page on our website!

We continue to emphasize that we have fewer days in school so STUDENTS need to make them count. Attendance, showing up as best they can, and being productive, are important. Being present in school will promote success in school. Thanks for your active participation in your students' success in school.

Please call (218)444-3130 or email attendance@voyageursschool.org if your student will be gone from school for any reason. Lunch count needs to be submitted by 8:40 am if your student plans to eat hot lunch. Thanks!

Welcome back and happy new year! The kids are adjusting to being back in the classroom, being awake, and being back on a schedule. In 6th grade math, students are working with fractions and parts of a whole. In 7th and 8th grade math, the students are working on connecting patterns, tables, graphs and equations. It's good to be back and start 2024 off feeling refreshed and ready to learn!

The Attack Camels had fun on the last day before the Winter Break! Several of our members earned hours of service while preparing goodies for Winter Spirit Week. Sylus got a drone over the break and we ate a lot of candy. This week we're working on getting back into a sleep schedule since the first school day of 2024 was painful--most of us are not morning people like Ryan!
