VES Spotlight

Reminder - We do have
SCHOOL tomorrow!

Students can access their headrush login from our website! Have them show you what they are working on!

We continue to emphasize that we have fewer days in school so STUDENTS need to make them count. Attendance, showing up as best they can, and being productive, are important. Being present in school will promote success in school. Thanks for your active participation in your students' success in school.

Please call (218)444-3130 or email attendance@voyageursschool.org if your student will be gone from school for any reason. Lunch count needs to be submitted by 8:40 am if your student plans to eat hot lunch. Thanks!

Upcoming Events

- Dec. 15 ~ NO school ~ Staff in-service day

Follow VES:

Conferences next week Wed. & Thurs. Nov. 8-9

All families have been contacted to schedule conferences with your child's teacher(s). This will be a student led conference, giving the student the opportunity to share their progress in school so far this year. If you still need to schedule a time, please contact us so we find a time that works for you. This is a great opportunity to assess growth areas and celebrate strengths as a family unit, and to connect with the educational team here at VES. Together, we can have a successful academic year!

Halloween Spirit

Ms Update: Kayla's Advisory

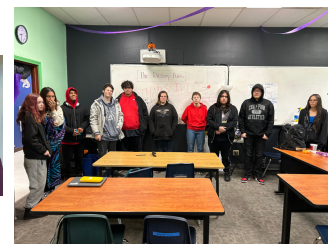

This week, in the middle school, we started block 2, we got into the Halloween spirit, we were visited by the Friends of the Boundary Waters and did some orienteering, fire building, and studied some skulls, and we played some Indigenous Games with Dan

Ninham.

HS Update: Nicole's Advisory

We call ourselves The Dreamy Bulls ~ In advisory, we have been busy! Between grade checks, EE Activites and the EE Articles we have been working hard. We sort of, kind of, decorated for Halloween and a few students even dressed up. This November we have a few birthdays to celebrate: Isaac N on 11/5 and Sidrion May & Rona LaRoche have the same birthday on 11/11 (they are Nicole's birthday buddies). We are looking forward to the start of Block 2!
