## From the Director's Desk

We had a great week of learning, student engagement, and fun here at VES! The high school started grade-level Career and College Readiness, students attended a Career Fair on Monday, Art Club met after school on Wednesday (meets weekly), and the HS project-based learning toured the water treatment plant. The VES Drama Club will meet after school starting next Tuesday!

Just a quick reminder that there is **NO SCHOOL** tomorrow (Friday), Sept. 22 for students. I hope everyone enjoys the long weekend.

The VES staff are excited for the school year and looking forward to the many adventures ahead! Make sure to check out our **NEW WEBSITE** ([www.voyageursschool.org](http://www.voyageursschool.org)) as well, and check the calendar often to stay in the loop!

## PBL (Project Based Learning) Update

Our high school students went to the Wastewater Treatment Plant on Wednesday! They learned so much about why we should reduce, reuse and recycle! Ask them about the learning they are doing in PBL!
